

99 Meditations for a Modern-Day Habakkuk

99 Meditations for a Modern-Day Habakkuk traces the arc of author Christine Bodines having it out with the God of her understanding. Just like the minor prophet Habakkuk, our modern-day prophetess argues with her God. Even as she is reverent one minute, she employs raw dialogue in the next. These are not your mothers meditations: these are meditations with attitude, even humor. If you are looking to overcome adversity or simply to stretch your relationship with the triune GodFather, Son and Holy Spirithere is one womans engaging approach.
