

Adventure Agewood Grim

An old-fashioned magical tale told in a cozy, nighttime, rustic style. Two adventurers are tracked by an ancient horror, but they decide to not run. Instead, they set out to find their pursuer, traveling through sinister realms that lead upward to an unexpected kingdom in the clouds, down to forgotten dungeons, through cemeteries, and even a haunted house. Complete with inns, dungeons, crawls... doppelganger skullduggery, Lich's lair, Shadenmorg, unusual secrets, Vernacular of Blarcs (with gruesome skulls), magic sword, undead hordes. The author grew up adventuring with tabletop games. MichaelBrettBooks@yahoo.de
