

Into The Blue (The Blue Crystal Trilogy Book 3)

The blue crystal is missing, her friends are dying and the future of the de Lucis family is at risk... Yet again, Emily is under threat. But this time she must give up everything she holds dear if she wants to save her friends and family. Is she willing to make the ultimate sacrifice? Is eternal youth still within her grasp? Is a future with Theo still possible or just a dream that is slipping through her fingers? The past returns to haunt the present, old secrets and ancient allegiances are revealed, and love combines with tragedy as the story reaches its terrifying conclusion. Tense and compelling, Into The Blue is the final book in the Blue Crystal trilogy. A glamorous but deadly new enemy emerges and the Fallen Angel returns to exact a terrible revenge.
