

Bloody Memories (The Vampires Lament) (Volume 1)

Angie Statton is heartbroken. She's dropped out of college and staying with her mother, which is less than ideal as they get along like oil and fire. So when she inherits her Great Aunt Katrina's house on Long Island she moves in right away, ready to start a whole new life. Little does she know that her Great Aunt had terrible secrets buried inside that house. One that would awaken and change Angie's life forever.
