

So Wonderful as Want

She wanted the world. All he wanted was her. Set among the natural beauty of Southwest Florida before and during the land boom of the twenties, Dinahs childhood dream of marrying well seems doomed until she meets Tyler, an ambitious land developer whos interested in more than just her land. Zach also has a dream. He wants to be his own man, go his own way. But when tragedy strikes Dinahs family, his soft heart allow him to walk away. Her dream within reach, Dinah must now choose between the man who can make her dream come true, or the man whos been there for every joy, every sorrow in her life.
