

International Law and the Changing Character of War (International Law Studies)

International Law Studies Volume 87. Raul A. Pete Pedrozo and Daria P. Wollschlaeger, editors. Contains a compilation of scholarly papers and remarks derived from the proceedings of a conference hosted at the Naval War College on June 22-24, 2010 entitled International Law and the Changing Character of War. The objectives of the conference were to catalogue the extent to which existing international law governs these changing aspects of warfare and to assess whether these developments warrant revision of existing international law.
