The press has exposed the longtime cozy relationship between the Boston FBI and Red Bartlett, the leader of the Irish Mafia in Boston. The FBI is now cracking down on the Mafias illicit activities. To diversify their business, the Irish Mafia has infiltrated Wall Street and is now blackmailing the manager of the largest mutual fund in the world as part of their scheme. Nick Hansons brother and friends have their own insider trading knavery that now has them at odds with Bartlett. If the public finds out who is calling the shots with their 401(k) money, it could be devastating to the markets. Its up to Nick to get them out alive without causing a run on the markets.
