

A Rope for Iron Eyes (Black Horse Western)

Notorious bounty hunter Iron Eyes has the scent of his prey in his nostrils as he corners the deadly Brand brothers in a house with a red lamp above its door. As the outlaws enjoy themselves, Iron Eyes bursts in with guns blazing. But Matt Brand and his siblings are a lot harder to kill than most wanted men; they fight like tigers, and Iron Eyes is lynched before they ride off. Yet even a rope cannot stop Iron Eyes. And he is determined to resume his deadly hunt, regardless of whoever dares to stand in his way.
